Schedule of Competition Order: Pre-Judging and Finals will begin on Saturday November 16 2024
Untested GBO Pros at 5:00PM.

Please note we are doing both the Pre-Judging and Finals at one time as a straight through format beginning at 5:00 pm. This format consists of prejudging men standard and classic men and women bodybuilding, and figure divisions followed by a 10-minute break. Pre-judging will continue with shape and men and women beach body (subject to change with division order going into the break). At the end of pre-judging, there will be a 15 minute break. Standard and classic bodybuilding will perform their routines during pre-judging only, not during trophy presentation. Figure, shape, and beach body will walk in a box walk formation led by the expeditor during pre-judging. Again, the expeditor will lead the competitor through the box walk with 2 poses only per spot. During trophy presentation while the emcee introduces each athlete to the stage, the bodybuilding and classic bodybuilding athletes will hit their favorite pose while the beach body, figure and shape walk through each spot without any poses since this was done during pre-judging. After all athletes have been introduced, the emcee will call the placings. Athletes are required to read rules and regulations and specifically the Code of Conduct for GBO events. Professionals will go on in the evening hours only

Awards: The following will apply as cash prize awards per entry count per division for the Atlas International 1st place through 3rd place.
Placings 4 and 5 will receive a Medal.

House (Venue) Rules: Some house rules for the theatre. Please be courteous of the tanning solution and do not damage anything in the theatre or designated area of the theatre.
As a GBO athlete you represent our shows. You will personally be liable for any damage due to negligence at the hotel or venue. Again, venues are starting to monitor this and will walk around to ensure this is being adhered to.
